Black, Candy Apple Red, 3-Tone Sunburst, Olympic White, Indian Turquoise, Flame Red

Classic design & Innovative Technology? Check out the improvements and innovations on the Texas Classic:

The „V“ profile of the neck edge fits the natural form of your hand when grasping the neck while the flatter back of the neck enhances playability on fast runs.

The Adjustable Tension Guide compensates for tension differences between the E1 and B2 strings.

E-Z Access Neck Rod: Remove the two screws and adjust your neck. No need to remove the neck or even the strings.
